loor. It represents an old bearded man is looking for a site upon which to erect standing in thoughtful attitude, the head a new building. The temple, which has a bent and turned somewhat to one side | membership of 7,000, has met for years "The identification of the subject is made possible," said Dr. Robinson, "by the close resemblance of the head to a small bronze bust from Herculaneum in the Museum of Naples, which is inscribed to accommodate them, so they have to

the Museum of Naples, which is inscribed with the name of the philosopher Hermarchos."

Next in importance is a small painting of the Resurrection by the important Umbrian master Perugino. It is a part of a predella, the other panels of which, "The Nativity." "The Baptism." "Christ and the Woman of Samaria" and "Noli Me Tangere," are in the possession of Martin Riverson of Chicago. These pic-one of them being the Broadway and Three of these sites have been optioned. and the Woman of Samaria and Noll Me Tangere," are in the possession of Martin Ryerson of Chicago. These pictures were formerly in the Barker collection, dispersed in 1874, from which the National Galiery acquired several important works. In 1892 these pictures were exhibited in the old masters' exhibition at Burlington House when they belonged to the Earl of Dudley. In the museum picture Christ is shown helding a banner. He stands on an uncovered sarcophagus, about which are four watchers, three asleep and one who starts away in fright. The banner and the drapery on the figure of Christ are red and red occurs in the costumes of each of the soldiers. A landscape fills the background.
